

Finally we are delighted to invite you to the casting for the next pantomime, **Dick Whittington and his Cat**. Jo Phenix will be directing, Jennifer Allin Heltcher will be musical director, and Loren Clough will be producer.

Saturday, October 30, 10:00 a.m., at the theatre, with a possible follow-up on Saturday November 6.

Show dates are May 21 – June 5. Rehearsals will start in late February, with none during March Break.

You must show **proof of full vaccination** to come into the theatre. While we understand that anyone can pass on the virus, we want to keep everyone as safe as possible, and will follow all covid 19 procedures. It is important that we know how many people are coming, so we can arrange for suitable distancing, so please **let us know if you plan to attend**. Call Jo at 519.855.4586, or email jophenix@sympatico.ca. We will then send you what you need for the audition.

If you are too young to be vaccinated, and would like to be in the show, just send us a message. We are hoping there will be a vaccine for you before full-time rehearsals start in the spring. In the meantime, we will send you a script and the music, and find other ways to get you started. You're all experts on virtual learning by now, and we will do our best to include you. We'll keep up-to-date on the changing situation, and do all we can to get you involved, as you are such an important part of the show.

We will also need backstage help, so if you would like to volunteer, let us know.
